

Post 1 CAP Sunday GIF

<Facebook & Instagram post 1 text>

Exciting news! Later this year, we'll be hosting a special CAP Sunday service with Christians Against Poverty (CAP). This is a dedicated church service to reflect on UK poverty, celebrating and learning what God is doing for the most vulnerable through CAP. We'll be journeying from lament, holding our feelings of helplessness before God; to a place of hope, listening to how he is calling on us to respond.
