

## Changes to rent to own

The FCA has rolled out new measures to help those affected by COVID-19. To access this help, you will need to speak to your creditor.

### **Rent to own**

If you are having temporary difficulties meeting payments due to coronavirus, you can apply for a freeze on repayments to your rent-to-own agreement for three months. In addition, if you need the goods during this period, they will not be repossessed.

What's more, where social distancing means rent-to-own firms are unable to collect or repossess your goods, they should not charge you extra for this unavoidable extension of your agreement.
